TSCA section 6: Compliance with regulations regarding the manufacture, processing, distribution, or use of specific chemicals. This includes import/export restrictions, workplace chemical protection programs, and restrictions on manufacture, processing, or use of specific chemicals.

TSCA section 6(h): EPA will prohibit all manufacture, import, processing, and distribution in commerce of the five (5) PBTs.

1. Pentachlorothiophenol (PCTP)
2. 2,4,6-tris(tert-butyl)phenol (2,4,6-TTBP)
3. Phenol, isopropylated Phosphate (3:1) (PIP (3:1))
4. Decabromodiphenyl Ether (DecaBDE)
5. Hexachlorobutadiene (HCBd)

The Ultrafab products do not contain substances from the TSCA Declarable Substance List (DSL).

Hereby we declare that Ultrafab Inc. does not test our finished products for the above regulation(s) but have information from our raw material suppliers stating that they do meet the regulation(s) and that Ultrafab does not intentionally add ingredients that do not meet the criteria.

This information has been compiled automatically by computer and is therefore valid without signature

Ultrafab Inc.

Alan DeMello

President & CEO
